When is the best time to order my souvenirs?

A: As much as possible, we deliver items within 21 to 30 days upon receipt of downpayment. However, it may extend up to 4-5 weeks production lead time especially during peak gifting seasons. For Provincial and out of the country orders, it's best to order at least 10 weeks prior to your desired pickup / delivery date.

A: All shipping fee are an additional cost to be paid by the customer. We can ship Provincial and Worldwide (certain restrictions in Europe).

Q: What kind of products can you make?

Q: Is it safe to bring our gifts in our checked in baggage (For provincial or overseas flights)?

A: YES! We actually suggest making your souvenirs as add-on baggage instead of having it shipped via DHL / Fedex as it's overall cheaper. Just let us know your preference and we'll pack it securely for you.

Q: Do you take rush orders (less than the 4-5 week lead time)?

A: We always try to accommodate our clients and their gifting needs.
