### ABOUT US

THIS IS A STORY OF TWO SISTERS who always raided their mother's perfume cabinet. Bernadette and Caroline thus "BC", have always been fond of fragrances.

Eventually, Bernadette, the elder of the two, became a Fragrance Sales Specialist certified by the acclaimed New York City-based, The Fragance Foundation. She also attended perfumery school training under British Perfumer, Stephen Dowthwaite.

The younger, Caroline, graduated with a Bachelors Degree in Cosmetics & Fragrance Marketing from the prestigious Fashion Institute of Technology in New York City. She also worked for Estee Lauder Corporation and Macy's Cosmetics & Fragrances Buying Headquarters early on in her career. Both are very much in love with fragrances; both very much committed to share their fragrance ventures and discoveries with you.

With only 10 fragrances in 2009, the brand now carries more than 600 kinds of fragrance oils for perfumery, personal care, household and industrial products.

We also cater to the hotel industry all over the Philippines with our scenting service.

### 2019 WEDDING COLOR TRENDS

Color is one of the first details celebrants, soon-to-wed couples or even party planners think about when establishing their event styling and theme. With that said, we'd love to share this 2019 Wedding Color Palettes compiled by WeddingWire x Pantone Color Institute. These were curated to help set the stage for nutpials of newly engaged couples and any party throughout the year.

#### **GOLDEN HOUR**

A palette of easy and uncomplicated honest colors, 'Golden Hour celebrates the physical beauty of nature. The palette has a modern, fresh twist on typically traditional colors, and the additional of a pale gold and copper metallic act as a highlight, enhancing and further increasing the palette's organic and unconventional appeal. Warm neautrals in this palette offer the opportunity to incorporate one of 2019's most popular texture trends; pampas grass, a natural colored wheat grass that pairs well with minimalist flords.

Inspired by the tropics, this palette shines with illuminating oranges, vibrant teals, radiant blues and a refreshing splash of turquoise reminiscent of water and sky. 'Paradise Found' represents a refreshing escape to an idyllic destination, no matter where the couple's wedding is located. The playfulness of the palette invites couples to mix and match wedding party attire—including groomsmen suiting and accessories in fun colors across the spectrum.

#### STROKE OF MIDNIGHT

'Stroke of Midnight' offers 'after dark' shades of twilight blues and exotic red infused purples. Twinkling whites along with clean and cool metallics add sheen and sparkle, providing an incandescent glow to this cutting-
